RAGAVI N

WEB DEVELOPER

 636-949-7195   ragavir175@gmail.com   Nagercoil

OBJECT

Proactive full-stack developer skilled in creating efficient, responsive, and dynamic web applications with modern technologies

EXPERIENCE

Intern - Web Development

AK Infopark Private Limited – Nagercoil, Tamil Nadu
Jun 2024 - Sep-2024

- Gained hands-on experience in full-stack development using Laravel, PHP, and JavaScript frameworks.
- Designed RESTful APIs, managed MySQL databases, and developed responsive user interfaces for optimal performance across devices.

PROJECT DETAILS

E-Commerce Website

Technologies Used:
Frontend: HTML, CSS, Bootstrap, Javascript, React

Backend: Laravel (PHP)

Database: MySQL

- Developed a mobile-friendly design using HTML, CSS, and Bootstrap for seamless display across all devices.

- Created an interactive React frontend with product listings and checkout functionality.

- Integrated RESTful APIs to connect React with Laravel while managing MySQL databases for efficient data storage.
